WHY BATTLING BISHOPS?

The nickname “The Battling Bishops” dates to 1925; before then Ohio Wesleyan University’s teams were simply known as “The Red and Black,” or sometimes as “The Methodists.” Ohio Wesleyan is affiliated with the United Methodist Church, and long has produced many of its bishops.

By April, 1925, according to that issue of the Alumni Magazine, the present name had finally been derived. “Ohio sports writers have been at a loss,” the magazine reported. “There are countless colleges throughout the country claiming red and black as their colors, and 14 Methodist colleges in Ohio alone.” Pi Delta Epsilon journalism fraternity therefore sponsored a contest, and the winning nickname, “The Battling Bishops,” was “placed before the sports writers of the state as the teams’ official title.” Senior Harold Thomas of Lima submitted the winning entry.

The new nickname must have provided inspiration. The 1925 football team, under George Gauthier, “The Little Giant,” went 7-1-1. Its only loss came to Ohio State by a 10-3 score, and it tied Syracuse, 3-3, en route to winning the Ohio Conference championship.

Ohio Wesleyan University is a charter member of the North Coast Athletic Conference, which began competition in the 1984-85 academic year. Other charter members are Allegheny College, Case Western Reserve University, Denison University, Kenyon College, Oberlin College and the College of Wooster. Wittenberg University joined the NCAC in 1988, Earlham College joined in 1988 and remains an affiliate member in field hockey, Wabash College joined in 1998, DePauw University joined in 2010, and John Carroll University joined in 2024 and begins competition in the 2025-26 academic year.

The NCAC's 9 members believe academic and athletic excellence can co-exist, with no undue overemphasis on athletics. They also believe the principle of balance is important in athletic programs at the Division III level, with no "major" or "minor" sports in comparison with any other, but all equally worthwhile. Equity for both men's and women's sports is a founding and standard principle. The NCAC's 23 championship sports includes 11 for men and 12 for women, the latter figure among the most offered by any Division III conference. When at least 5 Conference institutions sponsor a varsity sport, the NCAC conducts championship play and honors the champion.

NCAC teams have won 74 NCAA Division III championships during the conference's 41 years of competition.
