## WHY BATTLING BISHOPS?

*The nickname “The Battling Bishops” dates to 1925; before then Ohio Wesleyan University’s teams were simply known as “The Red and Black,” or sometimes as “The Methodists.” Ohio Wesleyan is affiliated with the United Methodist Church, and long has produced many of its bishops.*

*By April, 1925, according to that issue of the Alumni Magazine, the present name had finally been derived. “Ohio sports writers have been at a loss,” the magazine reported. “There are countless colleges throughout the country claiming red and black as their colors, and 14 Methodist colleges in Ohio alone.” Pi Delta Epsilon journalism fraternity therefore sponsored a contest, and the winning nickname, “The Battling Bishops,” was “placed before the sports writers of the state as the teams’ official title.” Senior Harold Thomas of Lima submitted the winning entry.*

*The new nickname must have provided inspiration. The 1925 football team, under George Gauthier, “The Little Giant,” went 7-1-1. Its only loss came to Ohio State by a 10-3 score, and it tied Syracuse, 3-3, en route to winning the Ohio Conference championship.*

**NOTE:** During the 1985-93 seasons, the NCAC champion was determined by the highest regular-season winning percentage. During the 1994-2013 seasons, the NCAC tournament champion was recognized as the conference champion. Beginning with the 2014 season, the NCAC champion was determined by the highest regular-season winning percentage. In 2021, the NCAC tournament consisted of a game between East and West Division winners, and the winner of that game was recognized as the conference champion.

## ABOUT THE NCAC

Ohio Wesleyan University is a charter member of the North Coast Athletic Conference, which began competition in the 1984-85 academic year. Other charter members are Allegheny College, Case Western Reserve University, Denison University, Kenyon College, Oberlin College and the College of Wooster. Wittenberg University joined the NCAC in 1988, Earlham College joined in 1988 and remains an affiliate member in field hockey, Hiram College and Wabash College joined the NCAC in 1998, and DePauw University joined the NCAC in 2010.

The NCAC's 9 members believe academic and athletic excellence can co-exist, with no undue overemphasis on athletics. They also believe the principle of balance is important in athletic programs at the Division III level, with no "major" or "minor" sports in comparison with any other, but all equally worthwhile. Equity for both men's and women's sports is a founding and standard principle. The NCAC's 23 championship sports includes 11 for men and 12 for women, the latter figure leading all Division III conferences in the country. When at least 5 Conference institutions sponsor a varsity sport, the NCAC conducts championship play and honors the champion.

During the NCAC's 39 years of competition, the league has established itself as one of the most competitive in the nation. A total of 23 teams in 17 sports and individuals in 6 additional sports, including all 9 member institutions, were represented in national competition during the 2022-23 academic year. In addition, 177 student-athletes from around the league earned All-America and/or Academic All-America® honors. NCAC teams have won 71 NCAA Division III championships during the conference's 39 years of competition.

*Ohio Wesleyan President Rock Jones and Denison President Dale Knobel display the 2008-09 NCAC All-Sports Trophy. Ohio Wesleyan and Denison finished in a dead heat in the 2008-09 all-sports race, marking the first all-sports tie in conference history.*

\*The Centennial Athletic Conference champion was determined by the highest regular-season winning percentage.

\*\*During the 1985-93 seasons, the North Coast Athletic Conference champion was determined by the highest regular-season winning percentage. During the 1994-2013 seasons, the NCAC tournament champion was recognized as the conference champion. Beginning with the 2014 season, the NCAC champion was determined by the highest regular-season winning percentage.

The 2021 season included NCAC divisional play only, and the NCAC tournament consisted of a game between East and West Division winners. The winner of that game was recognized as the conference champion.
